Speaker of the House  
President of the Senate

This letter reports the release of \$10 million in impounded budget authority required to be made available for obligation by section 1013(b) of the Impoundment Control Act of 1974.

On July 9 we reported the deferral of \$10 million in Youth Conservation Corps budget authority that had not been reported by the President as required by the Impoundment Control Act. On July 10 the Senate disapproved this deferral, thereby requiring the Office of Management and Budget to make the \$10 million available for obligation.

We have confirmed that OMB has released this budget authority for use by the Youth Conservation Corps. Since the current youth employment program is well underway, \$3 million has been released for use in this summer's employment program and \$7 million has been designated for use in next summer's employment program. The agency expects the \$3 million to fund about 4,000 youths and 800 supervisors for four weeks.

Sincerely yours,

Philip S. Hughes  
Assistant Comptroller General
